Dear EMPLOYEE NAME:

Last week, we announced that Libertana/Miji Care's Extended Care Department is upgrading software systems. Kantime will allow for greater ease in capturing your hours and client documentation. Kantime is California-approved to capture Electronic Visit Verification data (EVV).

Extended Care staff can access Kantime via internet browser on their company-issued laptops or tablets. **At this time, your first action item is to activate your account by logging on. Please complete this by Sunday, August 6th.**

Website: <https://hh.kantimehealth.net/z1/UI/Common/Login.aspx> OR

Tablet: Search and download 'Kantime Ice' from Google Play Store (Android) or App Store (IOS)

Your Username:

Your Password: welcome123

We will be sending more information on a weekly basis. If you have any questions about your Kantime registration, please email kantime@libertana.com.
